BEST PRACTICES OF TVET CENTRES AMID COVID-19

MALAYSIAN EXPERIENCE

**TECHNICAL VOCATIONAL EDUCATION AND TRAINING DIVISION
MINISTRY OF EDUCATION MALAYSIA**

25 June 2020

Movement Controlled Order (MCO)

Preventive measure by the government of Malaysia in response to Covid-19 pandemic in the country beginning 18 March 2020.

Phase 1

18 March - 31 March 2020

Phase 2

1 April – 14 April 2020

Phase 3

15 April – 28 April 2020

Phase 4

29 April – 12 May 2020

Phase 5

13 May – 9 June 2020

Phase 6

10 June - 31 August 2020

Embracing The New Normal

‘Even then, we may not be able to go back to way things were. For as long as the virus exists, we must do the new normal such as social distancing, avoid mass gatherings and crowded, and look after one’s personal hygiene.’

SCHOOLING: POST COVID-19

GUIDELINE ON SCHOOL MANAGEMENT

- **MoE worked closely with Ministry of Health (MoH) and National Security Council (NSC) in drafting the guideline.**
- **Guideline:**
 - i. outlines preparations that schools must undertake before school reopens.**
 - ii. explains roles and safety measures to be taken by teachers, administrative staff and students.**

REOPENING OF SCHOOLS

- **Schools reopen on 24 June 2020 within phase 6 of MCO based on advice and regulations by MoH and NSC.**
- **Simulations of school operations post MCO were done in selected schools.**
- **Starts with secondary school (Form 5 and Form 6), vocational colleges (Certificate Level 2 and Diploma Level 2).**
- **Other levels will return by stages. Home based learning continues.**

SCHOOLING: POST COVID-19

ENGAGEMENTS WITH STAKEHOLDERS

- MoE has been having engagements with relevant stakeholders for inputs, insights and advice prior to making key decisions regarding the procedure and management of schools/vocational colleges during this challenging period.
- MoE has delivered:
 - Standard Operation Procedures on COVID-19
 - Frequently Asked Questions for MCO period and post MCO
 - Home based learning initiatives

ADAPTING NEW NORM WAY OF LIFE

- MoE, schools and vocational colleges to carry out campaigns to enhance awareness on safety measures that students need to practice regularly:
 - Social distancing
 - Washing hands
 - Maintain cleanliness
 - Avoiding crowds

TASK FORCE

- MoE has set up special task force to monitor the reopening of schools / vocational colleges.

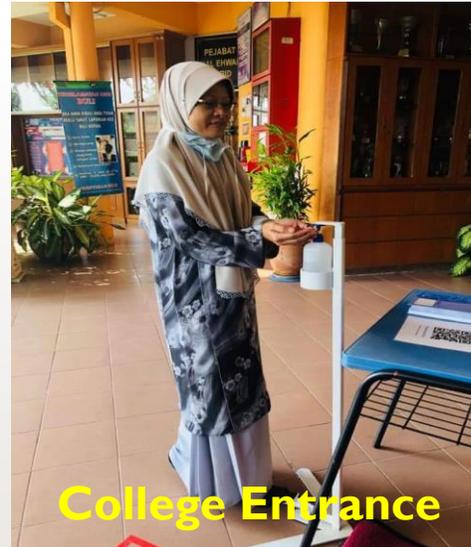

VOCATIONAL COLLEGES

Safety of Facilities and Surroundings

Way Forward : Education Planning Post Covid-19

Ministry
Of Education
Malaysia

Dr. Habibah Abdul Rahim
Education Director General
Ministry of Education Malaysia

2 June 2020

Clear Policy

Ensuring new policies derived from the crisis benefit learning process for all students.

Clear Communication Plans

Ensuring students and public receive clear and up-to-date information from the ministry.

Inclusion and Equity

To reflect on social and economics gaps, digital divide and the delivery system.

Social and Emotional Support

The important role of parents in ensuring students' well being, safety and protection.

Assessment

To further enhance formative assessment and school based assessment.

Participatory Approach

The importance of multi-sectoral approaches to response, recovery and resilience.
